What’s one way to travel worry-free?

Become a member of MedjetAssist!

Preparing for your next vacation? No matter where you plan to travel on your next trip, either to visit the grandkids, drive to the Grand Canyon or fly to Grand Cayman, a must-have item to ensure a worry-free trip is a MedjetAssist membership.

MedjetAssist is the premier air medical transport membership program for travelers. Medjet offers the world’s most comprehensive memberships available for your health, safety and security when you travel: Classic Medjet and Medjet Horizon.

A Classic Medjet membership is your most reliable and affordable path back to the care of the doctors you trust, where your family members can be by your side. If you are hospitalized 150 miles or more from home, Medjet will arrange medical repatriation and air medical transport all the way back to your hospital of choice in your home country — regardless of medical necessity — and at no cost besides your membership fee. Not just the closest hospital, your hospital back home.

MedjetAssist is not an insurance company or platinum card service. There are no deductibles, co-payments or claim forms. No caps on air medical transport costs. No unexpected air ambulance transport fees.

We live in a world where anything can happen. Medjet Horizon brings you all the medical benefits of a Classic Medjet membership, plus unmatched control of your personal safety and sense of security in times of crisis.

Before you travel domestically or internationally, enroll in a MedjetAssist membership for the greatest possible control of your health and safety. AARP members get up to 18% off MedjetAssist memberships. The safer MedjetAssist members feel, the more they can focus on the moment.

Discounted Medjet memberships for AARP members start at $235 (a $35 savings). Learn more at Medjet.com/AARP or by calling MedjetAssist at 866.809.4061.

Go Green with Collette
to the Emerald Isle

An ancient land of rolling hills and sparkling seas, the Emerald Isle is 50 shades of green – and then some. The third largest European island, Ireland’s rich, vibrant history is second only to its timeless charm. If you’re ready to have ‘your feet take you where your heart is’, look across the pond this year to the medieval yet ageless Celtic nation of Ireland. Even better, discover every lush, spectacular piece of this country’s beauty on a worry-free, comprehensive Collette guided tour. Luring you to this magical land with an assortment of expansive 8-13 day tours, the only difficult part might be choosing the perfect one for you.

“Time is a great storyteller” an Irish proverb exclaims and in ageless Ireland, incredible stories are everywhere. They are embedded in the rich history of this starkly beautiful medieval land where castles and an independent spirit still flourish. Low plains, wild coastlines and rocky panoramic vistas are ready for discovery on a Collette guided tour. Collette itineraries include their 8-day Irish Splendor, 12-day Spirit of the Emerald Isle, 9-day Elegant Ireland and 13-day Shades of Ireland featuring Northern Ireland. Perhaps you will venture on one of their small group tours with an average of 18 travelers per group. The Countryside of the Emerald Isle tour is a journey that will take you on the road less-traveled to charming villages and immerse you in true Irish culture.

On a Collette tour you’ll experience Irish hospitality at its finest. If you ever wanted to live like royalty, indulge in an overnight iconic castle stay. Take home an authentic piece of sparkling Waterford Crystal or be simply awed by the stunning 700-foot Cliffs of Moher that overlook the mighty Atlantic. If it’s a wee bit of shenanigans you crave, have a pint in one of Ireland’s many warm, welcoming pubs or go straight to the source of Irish whiskey at a historic distillery. Plant a kiss on the legendary Blarney stone for the ‘gift of eloquence’.

Taste delicious scones at a working farm or savor the taste of Ireland’s ‘new cuisine’ in the gourmet capital of Kinsale. Marvel at the wonders of Killarney and the world-famous Ring of Kerry as you learn about Ireland’s turbulent yet magnificent history from an experienced, knowledgeable Collette Tour Manager.

It takes more than the luck of the Irish to create the perfect tour. A third generation, family-owned travel company, Collette has been delivering a sense of possibility across seven continents for nearly 100 years. From flights, hotels, transportation and meals to your own professional travel manager, Collette handles all the details seamlessly. A perfect solution for busy boomers wanting worry-free travel, they offer classic guided travel, river cruises, single hotel stays, small group tours and more. Making sure every guest wakes only with an expectation of a new amazing day is the company’s most rewarding travel experience.

If you wonder this year where on God’s green earth to set your travel sights, choose the greenest land of all – Ireland. Donegal to Dublin, Galway to the Gap of Dunloe, reserve your Collette guided tour tour to the place where Céad Míle Fáilte means a hundred thousand welcomes.

Climb Aboard a Grand Canyon Centennial Celebration

When half of your name is Grand Canyon — you have a lot to live up to! Luckily, as premier transportation to that astonishing natural wonder, Grand Canyon Railway & Hotel sets a high bar. With a history nearly as amazing as it’s namesake, the Grand Canyon Railway began as an alternative to the stagecoach, once the only transportation to the rugged Grand Canyon. Since then presidents to movie stars, babies to boomers have ridden the historic Grand Canyon Railway.

One hundred fourteen years old itself, the iconic Railway is helping the National Park Service celebrate its own Centennial Birthday this year. And they invite you to join them on a dazzling rail journey to the Grand Canyon. Elevated on a 5,000 foot elevation Arizona plateau, the Grand Canyon flaunts a legendary landscape of stunning panoramas in dazzling hues only nature could paint. As the terrain changes from desert to pine before your eyes, stretch out in the comfort of your train car from lovingly restored turn-of-the-century to futuristic glass-domed observation cars. AARP members can choose from 6 classes of service but whichever class you choose, Grand Canyon Railway guarantees your journey to one of the Seven National Wonders of the World to be an unparalleled memory.

Grand Canyon Railway’s built-in one-stop planning assures you of expansive lodging, transportation and a touring package that lets you travel with total peace of mind. WANT to explore the oldest standing wooden postcard-worthy train depots in the US, packed with amenities? Check. Hungry for an unhurried dinner with your kids after some well-deserved pampering? Check. How about a mule ride through Arizona’s stunning landscapes, strolling Native American musicians or watching authentic Western entertainers have a shootout with your grandchildren? All this and more is included with a trip aboard the Grand Canyon Railway and stay at the Grand Canyon Railway Hotel. Is there any better way to travel to the spectacular Grand Canyon, especially in this Centennial year?

AARP members save 15% off train tickets, stand-alone stays at the Grand Canyon Railway Hotel and rail & hotel packages.

Think southwest Florida and imagine blue skies and warm Gulf waters. Think sunshine, white-sand beaches and uninhabited islands. Imagine evenings spent enjoying delicious seafood and watching sunsets. Imagine a vacation your kids and grandkids will always remember. Surround yourself with the things that matter most on The Beaches of Fort Myers & Sanibel. Here, lazy days are spent spotting dolphins, ospreys and blue herons while burying your toes in soft white sand. Choose from 50 miles of sun-splashed coastline where you can bask in the warm sunshine, swim in refreshing Gulf Coast waters, build the perfect sandcastle — and take a selfie in front of a breathtaking sunset.

Or, since the world’s best shelling can be found on Captiva and Sanibel Islands, it might be the perfect time and place to collect Conchs, Sand Dollars, Calico and Scallops with your grandchildren.

With more than 400 varieties of shells to uncover, there’s bound to be exciting new additions to even the most perfect shell collection.

Along with Captiva and Sanibel, hundreds more sunlit Florida islands dot the 50 mile stretch of Gulf coastline, most only reached by boat or seaplane. Island hop by boat to Cabbage Key for the real cheeseburger in paradise. From dolphins that play in the wake behind your boat to bobbing manatees that glide past your kayak toward shady mangrove trees, this entire region provides sanctuary to wildlife and nature. In fact, there are nearly 300 kinds of birds in the J.N. “Ding” Darling National Wildlife Refuge alone, the largest undeveloped mangrove ecosystem in the U.S.

The gateway to the southwest region, historic Fort Myers hosts the elegant winter homes of inventor Thomas Edison and automobile manufacturer Henry Ford. These brilliant minds enjoyed their visits so much they put down roots here. Their estates, filled with tropical gardens, laboratories and museums, prove there is no limitation where there is imagination. And both creative giants are credited for transforming this ‘City of Palms’ into the scenic gulf-side vacation spot it is today. Fort Myers is also a mecca for deep-sea fishing and outstanding golf. From storied, stately estates to swamp buggies, boomers and families alike enjoy this relaxing Florida beach landmark. Visit FortMyers-Sanibel.com to start imagining your vacation.

Kingsmill Resort
Life is Good
On The River

What feels just like home – if home had 2 championship golf courses, 15 tennis courts, a marina, world-class spa, 3 sparkling pools and a private riverside beach? Virginia’s 2900 acre, Kingsmill Resort, Williamsburg’s only AAA Four Diamond rated Condominium Resort. Recent renovations make this well-loved diamond shine even brighter this year. Dynamic new designs have polished every facet of resort accommodations and amenities with new radiance. This former 17th century plantation now feels even more like luxury summer camp for both adults and kids.

An uber-relaxing, family-friendly resort, Kingsmill Resort has revitalized all of its 425 villa-style guestrooms and condos to ensure your stay truly feels like your ‘home away from home’. Rooms are brighter, plusher and even more luxurious. From new oversized ottomans and tables to updated fireplaces, sleek, modern kitchens to serene, elegant bedrooms, every detail has been designed to delight.

Want to make a splash this summer? Take a dip in Kingsmill Resort’s River Pool. Ride a paddleboat, jet ski or kayak. Or dive into real springtime relaxation along the banks of the scenic James River with a cool glass and a good book. The resort even offers shuttle service around its vast expanse of riverfront genteel property, which is dotted with eating spots when hunger hits. Pining for pizza or paninis? Head to the Regatta, one of Kingsmill’s 6 restaurants, where boomers and kidlets alike can lunch gazing out at the pool and river. For more upscale dining options, choose the James Landing Grille or the recently reimagined Elements 1010. Both come with an award-winning culinary team and a side of stunning waterviews, making sunset supper a savory summer choice.

But true refreshment happens at the posh, newly relaunched Kingsmill Spa. Nestled in a lush new space, it flaunts lounges overlooking the water and cutting-edge body-renewing treatments. It’s easy to understand how Kingsmill Resort’s soothing escape has been a favorite of presidents, movie stars and athletes alike.
Traveling with the grands? Kingsmill Resorts has plenty of kid-friendly amenities so grandchildren actually yearn for screen-free time! Named a USA Today’s Readers Choice Award for the 10 Best Family Resorts, the resort offers Kids Camp, Kids Night Out, Segway tours, turns on the lazy River Pool waterslide and daily homemade ice cream as well as savvy menus for both picky-kids and mini foodies. There’s even a teen/tween spot for spa spoiling and, for the first time this summer, the Kingsmill Golf Academy will offer junior instructional programs.

Kingsmill’s affords two championship 18-hole golf courses – the Pete Dye-designed River Course, ranked in Virginia’s top 20 by Golf Digest and the family-friendly Arnold-Palmer designed Plantation course. This year, why not be part of the resort’s more than 30-year legacy of hosting prestigious PGA and LPGA tour events at The 2016 Kingsmill Championship? Or celebrate your own event tradition - a family reunion, birthday blowout, retirement party or golden anniversary.

Kingsmill Resort is a cool spot for warm weather days as well as the perfect family headquarters for life’s big moments, little intimate ones or just ‘because’.

Today, small ship cruising is a fast growing segment of the cruise industry and a favorite among mature travelers. The more intimate nature of these smaller ships, as well as the itineraries they sail and the ports they visit, combine to make small ship cruising the perfect way to see some of the world’s most sought after destinations.

Answering the worldwide tourism demand for experiential small ship cruising, Windstar Cruises offers a unique breed of luxury power yachts and sailing ships. Tempting newbies and old salts alike, Windstar's small ships provide first class service and cuisine plus destination driven itineraries. Less jumbo movie screens and more refined and sophisticated style with a down-to-earth vibe, Windstar flaunts some of the most sumptuous, spacious staterooms on the high seas.

Hate crowds? With a maximum passenger count of 300, upscale Windstar is a perfect fit for cruisers who like a more personal, one-on-one connection. Smaller numbers allow you to get to know and socialize with like-minded fellow passengers who often become lifelong friends. Less crowding on ship and shore also means quicker disembarkation at ports. Quieter, more low-key Windstar cruising affords more personalized service, enrichment programs, and hosted excursions led by historians, naturalists, and other experienced professionals. Waiters, pool stewards, even officers greet you by name. And when sea breezes incite hunger pangs, savor incredible, fresh, regional cuisine with an ocean view.

But what really sets small ships apart from their mega-size relatives are their laser focus on the destinations they visit, rather than the vessels themselves. Exclusivity, picturesque views, and awe-inspiring sails define Windstar, a world leader in small ship cruising. Discover under the radar destinations with their enchanting villages and captivating coastlines of more than 150 ports throughout Europe, the Caribbean, Tahiti, Costa Rica, and Panama. Allow Windstar’s knowledgeable professionals, armed with abundant information on the history and culture of each region, to easily immerse you in your surroundings. Best of all, experience these exquisite small ships as they slip into the remote, less trafficked ports mega ships cannot.

Windstar’s three stunning power yachts and three exquisite sailing yachts boast stained teak, polished brass details, and stunning nautical ambience throughout. With itineraries that emphasize days in port over days at sea, Windstar offers guests unscripted experiences in some of the world’s most stunning small ports. In select ports, Windstar’s ships offer a Watersports Platform lowered from the stern, enabling sailing and windsurfing. If you’re yearning to chill, a small pool or hot tub, open-air bar and deck chairs to nap or read fit the bill. And spectacular ocean views come standard with every stateroom and suite.

If smaller ports and longer stays float your boat, climb aboard Windstar Cruises — an unbeatable combo of culture, expertise, and casual luxury.

Great Road Trips You Don’t Want to Miss
Plus tips to travel like a local

Visitors to aarp.org have been given a choice of 10 American road trips and asked to vote for their favorite, three of which are featured here. To see all 10 breathtaking journeys visit aarp.org/avistop10.

California’s Pacific Coast Highway
Switchback turns and sheer cliffs make California’s coastal route one of the most scenic (and fun!) road trips in America. Landmark Bixby Bridge in Big Sur is pictured above.

❖ ROAD TRIP LIKE A LOCAL
PCH is also a highway for migrating Monarch Butterflies. From Oct. to Feb., locals flock to California’s largest Monarch Sanctuary in Pismo Beach, or to the Monarch Grove Sanctuary in Pacific Grove. Both locations feature Eucalyptus and Monterey Pine trees literally covered in beautiful Monarchs.

U.S. Route 1 Florida Keys
The Florida Keys have average April highs of 81°. So this “highway that goes to the sea” might better be called the “highway to heaven”.

❖ ROAD TRIP LIKE A LOCAL
Shh...locals know best and get away to the rustic waterfront cabins on stilts at Bahia Honda State Park. And, if you like fishing, the Seven Mile Bridge near Marathon Key is one of the longest and best fishing piers on earth.

Kancamagus Highway, NH
On this short drive, you’ll see a diverse landscape with mountains, meadows, and waterfalls. Come during fall foliage—the colors are magical.

❖ ROAD TRIP LIKE A LOCAL
Stop for a picnic by the cascading waters at Sawyer Rock just off Route 302. Here you’ll get the additional treat of seeing and hearing the Conway Scenic Railroad “Notch Train” pass by every afternoon at 3 pm.

Experience Your Authentic Caribbean with **Elite Island Resorts**

If a tropical island vacation is in your travel plans this year, consider an escape to one of Elite Island Resorts’ seven unique All-Inclusive Caribbean resorts. With locations in Antigua, Barbados, Saint Lucia, Tortola in the British Virgin Islands and a private isle escape in The Grenadines, these resorts offer something to fulfill even the most discerning travelers’ desires.

Tucked away on a secluded 100-acre peninsula on the southeastern coast of Antigua, the St. James’s Club & Villas exudes a casual, club-like ambience. Perfect for families and friends, this resort is a multigenerational dream. It features two white-sand beaches, six pools, a full-service Kids Club, a variety of dining options, and a plethora of activities to keep everyone entertained. The Two- or Three-Bedroom Villas are ideal for bigger families or groups, and feature separate dining and living rooms as well as a full kitchen.

Yearning for time with your adult children? You can each channel your inner child building sand castles on one of two white sand beaches at The Verandah Resort & Spa. Here, you’ll have an opportunity to get back in touch with nature, while also indulging in some “me-time.” Located on 30 spectacular seaside acres in Antigua, The Verandah boasts one of the island’s largest free-form pools as well as four sumptuous restaurants and 180 oversized Suites drenched with Caribbean charm. Relax at The Verandah’s natural stone Pool Bar or take on the property’s 18-hole miniature golf course, all while soaking in Antigua’s limitless beauty.

Traveling with the grandkids? The Verandah also features an award-winning Kids Club with a children’s splash pool and jungle gym.

Its sister resort St. James’s Club Morgan Bay, located on the island of Saint Lucia, may feature the signature service that the name has become known for, but its setting could not be more unique. Saint Lucia is a lush tropical island, featuring a National Rainforest, the world’s only “drive-in” volcano, the signature twin peaks of the Pitons, and a fascinating Creole heritage. This family-friendly resort boasts six restaurants, a specialty coffee shop, four pools, a Kids Club, a conference center, and a wide range of activities and classes for all.
For some relaxing time without the kids, Elite Island Resorts offers their exotic adults-only properties: The Club, Barbados Resort & Spa, Galley Bay Resort & Spa in Antigua, and Palm Island Resort, their private island oasis in the Grenadines. Located on the coveted West coast, The Club offers the best of Barbados and is in the perfect location for exploring the island. Embraced by the crystal blue waters of the Caribbean Sea and a magnificent ¾ mile-long white sand beach, Galley Bay is only a quick ride away from Antigua’s capital of St. John’s where you’ll find a casino and a wide array of duty-free shopping. It was recently voted one of the “Top 100 Resorts of the World” as well as in the “Top 10 Best Resorts for Romance in the Caribbean” by the readers of TripAdvisor.com. Galley Bay’s romantic atmosphere makes for a perfect couples retreat and their Tahitian-inspired Gauguin Cottages with private plunge pools come highly recommended.

And for those who don’t just want a getaway, but want to actually get away from it all, Palm Island Resort is the perfect All-Inclusive escape. Not just a resort, but its own private island, this 135-acre Caribbean vacation destination caters to discerning travelers who seek an unspoiled paradise retreat. It was even named ‘The World’s Leading Private Island Resort’ at the World Travel Awards. The property offers a range of activities, amenities, dining options and accommodations.
